

KNOW YOUR

ROVER

A user's guide to ACON's Rovers...

KNOW HOW YOU CAN HELP

- If you see anyone 'sleeping' or having problems let Medical, Security or a Rover know immediately.
- Give the Rovers or Medical room to move.
- If you know, let Medical, Security or a Rover know what someone has taken.
- Remember the Rovers and Medical are non-judgemental and are there to help.
- Let your friends know what you've taken.
- Smile and say G'Day.
